

Misson Primary

Dear Parents and Carers

I am writing to ask for your help following concerns raised by local residents, staff and parents about parking on the school driveway, and carpark entrance.

This morning I witnessed 5 cars parked on the school drive, many of which undertook difficult manoeuvres to turn their cars around as children were walking into school which is potentially very dangerous.

Please can all parents and carers park on Dame Lane, High Street, or in the Angel Inn car park, even if they are running late.

Thank you for your support in making our school a safer place for children.

Yours sincerely

A handwritten signature in black ink, appearing to read 'John Birch', is positioned to the left of a large, faint watermark of the school's logo.

John Birch
