teachers is on a course on the original date. Y5 (Chestnut Class) will now lead assembly on 31st Jan and Y6 (Willow Class) on 7th Feb.

### Lost Property

A large quantity of lost property has built up in school. It is now located in the tall cupboard with sliding doors in the school hall. To help us return lost items to the children, please could all uniform and PE kit be named clearly. If you wish to purchase name tags, we have a link with [www.mynametags.com](http://www.mynametags.com) (school number 22295) where the school gets a small commission from each purchase.

replacement of all the lights in school with energy saving LED bulbs from their Community Benefit Fund. They are also currently working with school to fund the installation of solar panels on the roof above Elder and Sycamore Class which will hopefully be completed at half term. The school energy consumption should be reduced by several thousand pounds as a result of these initiatives.

### Music Lessons

If any children in Y2 or above would like to start violin lessons, please contact the school office for details.

### Christingle Service

You are warmly invited to attend the Christingle Service at the Parish Church on Saturday 2nd February at 4pm

# ParentApp

## Parent App issues:

Currently we have two methods of sending messages to parents — the text messaging service provided by Teachers2Parents and the ParentApp which will eventually become our main communication tool.

The app can be downloaded from the following links:

[https://play.google.com/store/apps/details?id=com.app\\_whalleyce.layout](https://play.google.com/store/apps/details?id=com.app_whalleyce.layout)

<https://itunes.apple.com/us/app/whalley-ce-primary-school/id1383750807?ls=1&mt=8>

Once downloaded, you will get the icon shown in the top left corner.

To log into the app, **please do not enter an email address** at the moment. There will be a new version of the app released soon which will allow individual logins, but currently all users need to enter the same details:

**Username: whalley (all lower case)**

**Password: parent (all lower case)**

Unfortunately some parents have managed to enter their email, log into the app and change the password. This locks everyone out of the app. It is a known fault and will be rectified soon.

If you click on the 'More' tab on the app, you will reach the menu shown on the left.

The app can be used to pay dinner money, to report an absence, to submit a holiday request (Forms), and the 'Events' tab gives a calendar for the half term.

If you have any problems, please contact the school office.
