

Friday 25<sup>th</sup> January 2019

Dear Parents/Carers,

Cavendish Juniors have had a very productive week. Year 3 have been working hard on capital cities in Geography, Year 4 have created some amazing metaphors and similes in their Writing. In Year 5, they have been thinking really carefully about being thoughtful and kind towards others as part of their PSHE lessons and Year 6 have taken part in a Dodgeball tournament. That is to name but a few!!!!

### **Winter Fayre**

Thank you to all those who have generously donated something towards our Winter Fayre, I'm sure that it will be a success. The Fayre will take place on **Monday 28<sup>th</sup> January** from **3.30 p.m. to 4.30 p.m.** and I look forward to seeing you there.

I have tried to sell as many raffle tickets as possible this week, but if you still want some, they will be available during the Fayre itself. I have listed below just some of the fantastic prizes that could be won:

- Chocolate hamper
- Cosmetics hamper
- Wine
- Beer
- Food hamper
- Free guitar lesson

Many of our wonderful children have volunteered to help with the stalls on Monday. If this involves your child they do have a separate permission slip which will need to be filled in. Thank you in advance.

### **Nail Art**

As part of the Winter Fayre, your child will have the opportunity to have their nails painted for **£1**. If you would like your child to take part in this, please send your child with an appropriate amount of money. Please note, if your child has any allergies, notify the office as soon as possible. Thank you.

### **Changes to the end of the day**

So far, our changes to the end of the day have been warmly received. Please let me know if you have any concerns. The gates will continue to be opened from **3.25 p.m.** onwards.

### **Safeguarding**

It has come to our attention that there are a lot of Fortnite gadgets and memorabilia that can now be purchased. Can I remind all parents that these 'gadgets' are not appropriate in school.

Whilst on the subject of online safety, please continue to monitor what your child is doing on line, as new games and new dangers appear frequently. As a school, we will inform you of any new apps etc...that are particularly dangerous. The school will hold its annual e-safety week in February where further information will be sent your way.

## Attendance

This week, our attendance was 95.26 %. As always, thank you for keeping this as a high priority within our school-every day counts!

Thank you for your continued support.

N. Marlow
