## This weeks Earth Award Winners

## Stars of the week—Greenpark

## ADAM HESLOP CUP

Last Friday both our girl and boy football teams played in the next round of the Adam Heslop cup.

The boys won the final and are now through to the next round which is the West Yorkshire final.

The girls played really well as a team and Katie was named player of the tournament which was incredible.

Well done to both teams and good luck boys at the next round.

## Accelerated Reading

Our first two pupils to be awarded a bronze badge in the accelerated reading scheme are Gabriel in keystage 1 and Zach in keystage 2. The children must achieve 100% in their reading tests at least ten times in order to reach this level.

Well done boys.

## Online safety

On Monday 28<sup>th</sup> January all our KS2 pupils will be participating in a safety online workshop led by West Yorkshire Police. Many of our children have received new mobile phones and games consoles for Christmas and the number of alarming incidents affecting the children whilst online is increasing.

The sessions will hopefully make the children more aware of the dangers they can put themselves in and protect themselves whilst using the internet and in particular social media apps.

#### SMARTMOVE

On Wednesday 30<sup>th</sup> January a representative from the local SMARTMOVE charity who support homeless people and families in Calderdale is coming into school to lead an assembly on the issues of homelessness.

We are then joining with all other local schools for Dress Down day on February 15<sup>th</sup> when we will be asking the children to bring in a small donation of £1 to support the charity's work.

#### School Ties

Please can we remind parents that the school tie is part of the uniform. If you are struggling to get into town to the uniform shop to purchase a new tie, we do now keep a stock in school. Please can we ensure all the children are in full uniform.

#### School Council News

The school council met this week to discuss the design of the new play spaces in school. FOCSA are going to be working with the school council to support them with funding for the project.

We will be looking for ideas from parents and children about what is needed to enhance the play spaces. This could be anything from seating and benches to new play equipment or play-ground markings e.g hopscotch, snakes and ladders etc.

The biggest decision is what to do with the new area we now have by the old pond and polytunnel. Again, before we make any firm decisions, we will be looking to the children to tell us what they prefer, from another astro turf area or perhaps a quiet area where children can sit with their friends.
