Class 4	95%	Class 10	98%
Class 5	92.7%	Class 11	95.3%
Class 6	95.3%	Class 12	87%

School Attendance Matters

This week's Attendance

Our target for attendance is 96%.

Attendance Award in Reception goes to Class 10

Attendance Award in Year 1 goes to Class 8

Attendance Award in Year 2 goes to Class 3

imagine that!

On Thursday, our reception visited 'Imagine That!' The children had a wonderful time playing, exploring, creating, learning and above all having lots and lots of fun. At 'Imagine That!' the children can role play in lots of different areas. They are able to create pictures and items and even paint a car! They can dig for dinosaurs or build a house! They can even become scientists for the day. The children were wonderfully behaved and had a great day. Thank you to all the reception and volunteers who enabled the trip to take place.

UNWANTED GLASSES

Mrs Roche, a previous teacher at our school, has asked whether anybody has any old prescription glasses, reading glasses or sunglasses they would like to get rid of. She has a friend who will be taking them to Sierra Leone in the February half term. She will be working with children and adults and they would be put to great use there.

If you do please pass in to your child's class. Thank you.

POLITE REMINDERS

During pick up and drop off times, our playground can become very crowded and busy. Please do not let your children play on equipment or ride their bikes or scooters across the playground.

Please be especially aware of younger and smaller children. Sadly, a nursery child was knocked over while with their parents on the playground by a bigger child running.

Please be mindful when parking of our neighbours and pedestrians. Last week, there was very nearly an accident when a car moved off without looking and very nearly knocked some pedestrians. Please do not block driveways or park on the zigzag lines outside school. The zigzag lines are there for the safety of our children.
