Dear Parent/Carer,

RE: MAGT - Christmas Bazaar Stall

On Friday 23rd November, your child participated in the termly 'Challenge Day' as they had already been selected, by their teacher, for the More Able, Gifted and Talented (MAGT) register for this academic year. The premise for the day's activity was to become entrepreneurs whereby they used a variety of skills and resources to create a Christmas themed game, which (if voted for) they could run at the up-coming bazaar.

I am pleased to say that your child worked **successfully** in a mixed year group of children to create one of the **winning** games, as voted for by their peers. Hopefully, your child has told you all about this already!

Please provide permission for your child to remain at school for the Christmas bazaar, which is being held on 6th December (a letter has already been sent out about this). The winning groups will need to run their game, encourage custom and keep track of their finances! This experience will allow the children to continue to develop their young leadership skills and give them a taste for running a business!

I hope you agree that this will be a valuable and enriching experience for your child. If you have any questions, please do not hesitate to ask.

Yours sincerely,

Miss Evans
MAGT Coordinator
