Re: Nut Allergy

Dear Parents/Carers

It has come to our attention that a child in school has a severe allergic reaction to nut

Since this condition can be life threatening, we are asking for your help in minimising the risk to this child by:

- a) Avoiding giving children peanuts in school lunches
- b) Avoiding giving peanut butter sandwiches, other spreads containing nuts and snacks/bars containing nuts in school lunches
- c) Asking children **not** to share their lunches.

Due to the severity of the problem, it is important that all parents carry out the suggested measures and reduce the risk of allergic reaction to this child.

We thank you for your co-operation.
