

Dear parent/carer

Last week we gave out instructions on how to access Purplemash and the login details for your child. We also asked the children to complete a few tasks as homework which enabled us to see their results and make decisions about how to maximise their progress. Homework this week has been set for your child on Purplemash. Your child has been allocated 2 or more of the below tasks which they can find when they access their 2Do area. The activities are due to be completed by Wednesday the 17th of October.

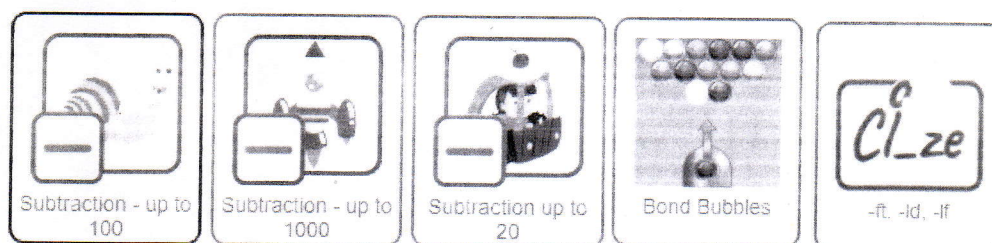

If you have any problems in accessing purplemash please let Mrs George or Miss Connolly know, so that we can arrange time in class for your child to complete their homework.

Thank you for your ongoing help and support with homework,

Mrs George and Miss Connolly.
