Issue 15 18th January 2019

Dear Parents/Carers,

This term's 'Fruits of the Spirit' values are patience, kindness and goodness, in addition we are also working on the value of courage. We have been basing our Collective Worship around the themes of patience and courage over the last few weeks. We are encouraging the children to think of acting these values out in their lives and we have displays on both sites sharing when they have seen or been part of the school values in action. I have already got a number of children in mind who will be added to the displays. Please do pop into both school halls to see these displays as they start to take shape.

As part of their class collective worship at KS2 'courage' has been the focus and we have been talking about stepping outside of your comfort zone and making changes – tying this in with the children's New Year's Resolutions. Again having the courage to take part or do something new is often a challenge.

We were really proud of all of the boys who were part of the football squad who qualified for the county football finals in Swindon this week. Those boys who did not make the team showed great maturity and coped with the disappointment of not being picked - they were really gracious and wished their team-mates the very best. The boys who then went on to represent the school did it with great pride and even though they did not win they behaved with courage, patience and kindness. School values in action - well done boys.

Many of you will remember the art competition we did a few years ago in support of the RSPB Big Schools Bird Watch. I would like to re-launch the competition again this year to encourage the children to look closely at the nature around us to produce either a drawing, painting or model of a bird. The bird can be one of our local garden birds, or if the children would like, it could be more exotic. There will be a small prize for each class and certificates for those who take part. The closing date for the competition is Monday 11th February and we will display the art in both school halls on Thursday 14th at 2.30.

On another matter can I politely remind parents that if they would like to speak to their child's teacher that they should make an appointment via the school office. Teachers are very happy to meet and discuss children's progress but first thing in the morning is not the most conducive time. If you have a more urgent message, please can you relay that through the office and teachers will get back to you.

I do hope that you have a relaxing weekend with your children - you never know there could be snow!

Caroline Whittaker
Acting Head Teacher

Art Competition

Draw, paint or make a model of a bird. It can be a garden bird or a more exotic bird.

Closing date for entries Monday 11th February

Entries will be displayed in the school halls on Thursday 14th February at 2.30pm

There will be a small prize for each class and certificates for all participants.

Football Tournament Report

The year 5/6 Football squad has been training really hard in PE and with the Nomansland Community (NCE) volunteers so that we were ready for the Wiltshire County Finals.

This Tuesday, we went to Chippenham to the Finals and played four matches. In the first match we drew 1:1 with Ollie V scoring our goal. Then we headed over to pitch 3 for back to back games against other small schools from across the county. We won 3:0 with Thomas getting a might hat-trick. Then we had a two game break and had snacks and a practise with Mr Venditti and Mr Hildon. Next game, we drew 0:0 but had sadly had lots of on target shots saved by the opposition. Our last game we lost 3:0 and so missed out on qualifying for the next round.

Overall, we came 4th in the small schools category. Thank you to Mrs Hayward, Mr Hildon and Mr Venditti for taking us.

Well done to our superb squad—many of whom could not come this time due to the strict 10 man team rules. Playing this time was Thomas (Capt), Ollie V, Kaden, Ollie G (goal), Robbie, Jack, Ben H, Ben G, Charlie and Jing.

Report by Ollie V.

Brambles Forest Tuesday

Year 6 had a lovely forest Tuesday maths investigation lesson. We did a variety of real life maths measuring activities using such technical equipment clinometers, calibrated callipers and micrometres to explore mathematical patterns in nature. One of our investigations was, is 3 times the width of the tree the same as the height of the tree? And the statistical probably of finding two twigs with one being exactly half the size of the other.

School News

Following our session with Specialist Advisory Teacher Alison Szalay have put some resources onto our website that may be helpful for supporting your child with literacy difficulties, please follow the link below;

<http://www.thenewforestschool.wilts.sch.uk/parents/send-information>

Please remember to let the school offices know by 9am each day if your child is not in school due to illness or any other reason.

Please look for our PTA Facebook page to keep up to date with events
