Carpark

If you are dropping off or collecting children from school, please can you ensure that your car is stationary while children and adults are on the carpark to ensure the safety and wellbeing of everyone. Thank you!

Class 1

Next week is Miss Sharp's last week before she goes on her maternity leave and I am sure you will all join me in wishing her and her family the very best! If you have a child in class 1 and would like to speak with Miss Sharp about them, please send her an email or call the school office.

Over the last couple of weeks, Mrs Johnson (who is covering Miss Sharp's maternity leave) has popped into class 1 to get to know the children and get a feel of how the class runs.

In Year 1, we have been writing instructions: "How to Catch a Dinosaur". Are you scared about their teeth? Can you hear them roar too loudly? Year 1 will be able to instruct you as to what you will need and how you can catch them! We have also been creating dinosaur skeletons out of pasta - can you identify the dinosaur skeleton?

Class 2

Below is a snapshot of class 2 busy learning a persuasive text called 'Hawk Ridge Farm Park' as part of our process to writing our very own persuasive texts about our imaginative shirt designs! You can check out the video of class 2 practising this on our class page on the school website - they worked so hard that it only took them half an hour to learn!

Class 3

In Class 3 this week, we have been learning a model quest story about Space using 'Talk for Writing'; we will use this to help us write our own quest stories. We have also created our own newspaper front-pages from the moon landing in 1969.

Achievements

Well done to the winners of both the 'burgundy jumper' and 'good to be green' this week. These are:

Class 1 - Esmee and Franklin

Class 2 - Kieran and Max

Class 3 - Harry and Darcy

School dates for your diary

5th February - Safer Internet Day

25th February - Class 3 Beach School day

4th March - Class 3 Beach School day

7th March - Class 1 Drumming with Zozo
