

Our Children's Response to Matthew 25

We would like to share with you our version of Matthew 25 which Mrs Sollars wrote with all the children in assembly. These are our words capturing the values of our school. Locked within this our values of Service, Friendship, Compassion, Forgiveness, Generosity, Hope and Perseverance

Learn and Love in Faith

I was lonely and you played with me.

I was stuck with my work and you helped me.

I was sad and you cared for me.

I was frightened and you saved me.

I was hurt and you came to my aid.

I was embarrassed and you encouraged me.

I was in a dark place and you turned on the light.

When I did wrong you guided me on the right path.

I was weak and you gave me strength.

I was an unbeliever and you gave faith.

I felt unworthy but you believed in me.

In as much as you have done it to one of the least of these my brothers, you have done it to me.
