

Sport Premium Funding Action Plan and Impact 2018-2019

Hutton Cranswick CP School

Introduction

At Hutton Cranswick CP School we believe PE and Sport plays an important role in making our vision statement a reality for every pupil, with the potential to change young people's lives for the better. We have welcomed the Government's announcement in June 2013 to provide additional funding until 2020 to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all our young people.

Department for Education VISION for the Primary PE and Sport Premium

All pupils leaving primary school are physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

The funding has been provided to ensure impact against the following objective:

To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision (above) that will live well beyond the Primary PE and Sport Premium funding.

It is expected that schools will see an improvement against the following **5 key indicators**:

1. The engagement of all pupils in regular physical activity- kick starting healthy active lifestyles.
2. The profile of PE and sport being raised across the school as a tool for a whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

In our action plan below we have specified which of the above key indicators each action/priority relates to. This helps the school to focus their actions and ensure the funding is used as the Department for Education intended.

Sport Premium Grant Funding for schools will be calculated by the number of primary aged pupils (between the ages of 5 and 11). All schools with 17 or more primary aged pupils will receive a lump sum of £16,000 plus a premium of £10 per pupil. Smaller schools will receive £1000 per pupil.

Total amount of grant received for 2018/19	£17,860
---------------------------------------------------	----------------

This is a working document. We have split up the funding by the three key areas for consideration; Physical Education, Healthy Active Lifestyles and Competitive Sport. We have decided to spend the Sport Premium Grant on the following:

Physical Education

Purchased	Implementation		Desired Outcomes/ Impact	Linked to key indicator no:	Sustainability/ next steps
	Cost	Intended Purpose			
PE leader release time	£1000	Time will allow PE leader to monitor PE and quality of teaching.	Improvements in quality of provision. Provide engaging intra school competitions for all children.	2 & 3	PE leader is able to plan and facilitate sporting events to promote and increase physical activity.
Specialist hockey coach	£500 (£50 x 10 sessions)	Quality coaching of hockey to work with both the children and staff to develop and increase skills.	Begin to raise the profile and standard of hockey across the school. Foster a love of hockey across the school to encourage more children to take part in competitive inter-school hockey competitions.	1 & 3	Teachers will be up-skilled and be able to facilitate quality teaching of PE for the future.

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	90%
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	81%
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	64%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes/No
