25th January

Dear Parents,

The children have had a very enjoyable week at school, particularly focusing on being Artists! Shortly you will be able to see some of our artwork displayed in the school hall!

This week we have been learning the ladder letter 't', please use the sheet enclosed to practise formation at home. In Phonics next week, we will be learning the letter sounds oo, ar and or - it would be helpful to look up these sounds in your child's phonics pack.

In Maths, we have been working on simple addition and ways of recording - any opportunities to continue to build on this at home would be great. Next week we will be introducing the children to 3D shapes - naming the shapes (cube, cuboid, cylinder, sphere, pyramid.) Perhaps you could have a shape hunt at home and find everyday objects that are these shapes?

Next week we will start a new enquiry in Foundation called 'How do we look after ourselves?' This will be a 2-week enquiry and will cover learning about healthy eating, exercise and keeping safe. On Wednesday 6th

February, the children will be doing some cooking as part of the enquiry. If you are able to offer any help with this please let one of the team know!

We hope you have a lovely weekend.

The Foundation Stage Team
