BECOME YOUR CHILD'S CLASS REP

Dear parents/carers,

To further support parental engagement and communication between school and home we have decided to trial out the role of two Parent Class Representatives in each class across our school. Being a Rep is an important role and very rewarding.

Typically, the role of a rep will be to:

- Provide great communication between the school office, class teacher, Parent Support Adviser, the fobhps committee and parents on the playground within your child's class. (example; Pass on information and reminders from the school office such as; school trips, assemblies, class lists etc). Communication can be through word of mouth, email or WhatsApp.
- You can compile contact lists of parents in your class and first names of the children in your class in order to welcome new families joining or leaving your child's class, making all parents/carers welcome.
- You can help assist the FOBHPS (school's PTA) committee by securing parental support for events - whether that's to encourage people to buy tickets or volunteers to help run a stall at the Summer fayre. These are an effective way of generating team spirit.
- Attend the Class Rep Annual General Meeting and the fobhps committee meetings where possible.

If we receive more than two interests for one class, we will ask parents to take a vote.

If you are keen to join this new parent rep team, then please complete the reply slip and return to the school office by 7th February 2018 (you can also pick up a copy of the return slip from the office)

Your sincerely,

Anna Theodosiou, Headteacher
