Dear Parents/Carers

As part of our curriculum, children in Foundation stage spend a lot of time each day learning outdoors – whatever the weather! In addition to this, children also participate in forest school activities on a weekly basis.

Now that the winter weather is upon us can you please ensure that children are suitably dressed. They will need warm clothes, a waterproof coat and more importantly a pair of wellies. We have noticed that a number of children still don't have a pair of wellies in school. We would hate to exclude children from participating in outdoor play but equally we don't want children to be uncomfortable when playing outdoors.

If you have not yet done so, please can you bring your child a pair of wellies with their names written in and place them onto the wellies rack in school.

Thank you for your cooperation.

The Foundation team
