School Sports Fixtures - Football, Netball, Rugby, Hockey, Cricket & Cross Country

During this academic year your son/daughter may be selected to represent Berwick Middle School in competitive sports fixtures against other schools. As well as these matches taking place at our school there may be some 'away' fixtures at schools within the local authorities of Northumberland, North Tyneside, South Tyneside, Newcastle, Gateshead and Durham.

If an away fixture is scheduled the teacher taking the team will book transport and provide verbal notification to the students taking part. Students will be told where the match is taking place and given an approximate time of return to school. As responsible learners they will be asked to share this information with you and you will also receive communication via our Parentmail system.

To register permission for your son/daughter to participate in matches please complete and return the attached consent form to the form teacher. We require the emergency contact information and medical details so that this is to hand when we are at away venues. It is important that any changes in circumstances or contact details are reported to school as a matter of urgency.

In providing an approximate return time prior to each match please note that instances of a delayed start, extra time or traffic congestion can result in a later than anticipated return time. In all cases we will be contact you via email or text message via our Parentmail system. Pupils will always be returned to the safety of Berwick Middle School after an away fixture from where they can either continue their onward journey home as usual or wait to be collected depending upon your own individual arrangements.
