Dear Parents,

As you are very much aware from the children's excitement, we are half way through our new creative curriculum, **ICE WORLDS**. The basis of our curriculum is very much driven by experiences and creativity. The children are enjoying learning in this way.

We are now approaching the middle of the topic with such fun and excitement. Our 'Marvellous Middle' this term has been planned for **Tuesday 26th February** and will involve an **ice rink on the playground!!!**

During the day children will be able to take part in various activities on the ice, obviously fully supervised by our staff. The children will follow their class' ice world journey with the support of 'Get Ya Skates on Synthetic Ice Rink' and their fully qualified staff.

As we have raised so much money through our non- school uniform days and our Winter Fayre, there is no charge for this experience. The only requirements are that the **permission form is signed and children wear suitable outer clothing**, e.g. hats, gloves, etc. Children are still required to wear school uniform, however you can send in a warm pair of jogging bottoms for children to wear over tights/trousers.

Wintery wishes,

Mrs K Bargh
Executive Headteacher
