Swimming Lessons

Dear Parents and Carers of Year 3 Children

I regret to inform you that Active Luton have been unable to offer the school a suitable timeslot for Year 3 swimming lessons from February. The only times available would have been over lunchtime or would have led to the children returning to Someries after school finishes.

After careful consideration, we have decided to postpone swimming lessons for your child's year group until September 2019 when they join Year 4. Swimming lessons will then run for the whole of Year 4.

We will advise you of the allocated timeslot at the beginning of the September term.

Yours faithfully

Mr J Hunt
Head Teacher
