Congratulations to Red Kite who have won the Weekly Attendance Cup and will enjoy extra playtime next week.

**Tell us about it!**

It is always good to receive positive criticism and one tool that indicates parent approval (or otherwise) is Parent View from Ofsted. Whenever Ofsted visit, the Inspector asks parents to complete the survey. The same survey can be accessed at any time. Maximum inputs and regular updates inform the School of the effects of its programme of improvements; from the quality of teaching, to dealing with bullying and poor behaviour.

There are 12 questions to answer, for example, 'My child is happy at this school' with a choice of responses:

Strongly agree      Agree      Disagree      Strongly disagree      Don't know

Once you have completed all 12 questions, click on 'Finish the survey' and the questionnaire is complete.

Accessing the survey is simple. Please go to [www.parentview.ofsted.gov.uk](http://www.parentview.ofsted.gov.uk) this Term.

This is not a substitute for speaking to your child's Class Teacher if you have any specific concerns.

**FoLPS Film Night**

It was lovely to see so many children on Wednesday evening enjoying the special screenings of the Lego Movie and Hotel Transylvania 3.

**Naming Uniform**

Please make sure that **ALL** your child's uniform and other property is clearly named. We always try to reunite named items with their owner but still amass quite a lot of unnamed lost property in school. Please remember to also label lunchboxes, water bottles and Forest School clothing (wellies and waterproofs).

**Sickness & Diarrhoea Policy**

We have quite a bit of sickness and diarrhoea in school at the moment. In an attempt to stop the spread, we would like to remind parents and carers of the School's policy regarding absence from school due to vomiting and/or diarrhoea. As a school, we are guided by Public Health England, and their advice is that a child **must** stay off school for **48 hours after the last episode of vomiting and/or diarrhoea**. Thank you.

**Key Stage 2 SATs**

The Year 6 SATs will be held during the week commencing 13<sup>th</sup> May. Please avoid taking your Year 6 child out of school for appointments or any other reason during this week. Thank you

**Parent Consultation Meetings**

These will be on Wednesday 6<sup>th</sup> and Thursday 7<sup>th</sup> February in the Lower School Hall. Sign-up sheets for an appointment with your child's teacher are available on the classroom doors.

**FoLPS Disco**

Due to a clash of dates in school we have postponed the next FoLPS Disco until Thursday 28<sup>th</sup> February. Timings are detailed below and tickets will be on sale from tomorrow.

### Notification in The Event of Severe Weather

Should the School ever have to be closed due to severe winter weather, we will send a message via email to all parents. We will also post a message on the School website and inform Heart Radio School Closures. If the weather is severe, please check your emails or the school website to make sure we are open before making your journey. **If there is no message by email or on the website, please assume that the School is open.**

### Forest School Term 4

This afternoon, children will be bringing home information detailing the dates for Forest School in Term 4. We are pleased to announce that we will be visiting Cowleaze Copse woodland for lessons next term – please ensure that consent forms are returned as soon as possible.

Children will need warm outdoor clothing for Forest School lessons – wellies, warm trousers and waterproof coats. If you happen to have any spare wellies or coats at home, please consider donating them to school for any children who may inadvertently forget theirs on the day.

Parent volunteers – if you are available to help accompany classes for the Forest School visits, please inform the School Office. We would appreciate any additional adult helpers.

### Pupil & Contact Information

Please ensure that you notify us of any changes to address, contact numbers, mobile numbers, email addresses and medical information immediately so that our records remain continually up to date. Many thanks.

### No Dogs on The School Site

Please note that dogs are **NOT** allowed anywhere on the school site. Also, please do not leave any dogs unattended, tied up by the school entrances. Please make sure you have control of your dog near the school.
