certificates this week.

The Green Team won
the Anlabee Challenge.

NEWSLETTER

25th January 2019

This Week

Inkpen and Rosen have been building bridges to get to the new FS1 outdoor area. They have been looking at different ways to make 10 and painted moon rocks.

Sharratt and Donaldson have made papier-mache dinosaur eggs and looking at evergreen and deciduous trees. They have started to read *The Dinosaur Who Pooped the Past*.

Potter and Ahlberg have been looking closely at the buildings and shops in the Anlaby area and have developed their sketching and shading skills as they draw them.

Murphy and Dahl have been investigating different types of forces this week. They have looked at gravity and carried out a full investigation in to which materials are magnetic.

In History Morpurgo and Kinney have been writing descriptions of Boudicca and re-written a story based on the book *I was There – Boudicca's Army*.

Herge and Walliams have been inspired by their class novel *The Phoenix Code* to play the part of Cleo and write a letter to Grandma thinking about characterisation. In maths they are learning long multiplication. They are very good at following the method but really need to know their tables inside out. More practice would be helpful.

Shakespeare and Rowling have started to carry out some investigations in to electricity and how it works. They have also been comparing Mexico and Great Britain as part of their geography work.

Have a great weekend.

The Hive Out of School Club

This week our activities have linked to the Year 2 topic 'Street Detectives'. We have used construction materials to design our dream homes and produced a video of some of our favourite local places.

We have also looked at the signs and logos used by some local and international brands, playing our own game of 'logo bingo' and designed 'welcome' signs for The Hive.

Our loom knitting class was extremely popular this week and we have completed our first baby hat for Hull Royal Infirmary's Women and Children's Hospital.

Our table tennis champions are Flynn and Archie who will be taking our brand new trophy.

Places are available for February half term.

Nursery

You should find a letter regarding the nursery with this letter. If this is not relevant to you but you know somebody who might be interested please pass it on to them.

If anybody would like any further information please call the school office and ask for Mrs Cherry who will be able to discuss your needs.

View from the Classroom Floor

We all had a super census day meal and had fun drawing the raffle. If you were the winner I hope you had fun spending your voucher or enjoyed thinking about what you will spend it on!

Did you enjoy the quiz last week? How many of the answers did you get? Did you beat your brother or sister? If you enjoyed doing the quiz why not write your own for the newsletter and give it to one of us and we can use it next week.

The playground is now filled with playground equipment over lunch and all of us in Year 6 are enjoying it. Just a reminder to make sure you follow the rules so everybody can enjoy it and look after it so we have it for many weeks to come.

Have a really great weekend.

Abigail, Ana, Annelise, Katie, Laura and Olivia.

Date for your Diary

In order to try to give you as much notice as possible regarding events around school, this section will be dates for up-coming events. We may need to change events at times but will try to keep this to a minimum.

Friday 15th February – Y2 Tag Rugby Festival

Friday 15th February – End of Half Term

Friday 15th February – PTA Race Night TBC

Information to follow

Monday 25th February – Children back to school

Healthy Lunch Box Top Tips

Boost the vegetable content of their sandwiches by adding salad such as lettuce, sliced tomato, cucumber or sweet corn.

Starchy foods are a good source of energy, and should make up a third of the lunchbox. But don't let things get boring. Keep their foods varied - try using a different starchy food each day e.g cous cous, pasta, tortilla wraps and pitta breads. Use brown, wholemeal or seeded bread, not white bread.

Include a wide variety of healthy fruits and vegetables every day for example blueberries, carrot and pepper batons, cucumber cubes, cherry tomatoes and sugar snap peas.

Add a yogurt or low fat rice pudding for a tasty and healthy dessert.

Try seeds, crackers or pretzels as an alternative to crisps.

Morpurgo Class Assembly

The children did fantastic. Well done.

All the children did an excellent performance. I really enjoyed it.

Really enjoyed it. All did an amazing job.

Enjoyed hearing about what they are learning.

A very informative assembly. Nice to see everyone taking part. Well done!

Excellent work Morpurgo enjoyed your assembly. Well Done!

Great Assembly! The children were all very confident. Loved the singing!

Every child did an amazing job. Brilliant assembly.

I would like Mr May to know...
