OSCARS

Since the beginning of this year there have been a few children who have worked hard outside of school to complete some of the challenges from the Old Sarum Challenge booklet. So far, we have not had enough children completing challenges to be able to organise the rewards. We are hoping that we can have a boost of children taking part so that we have lots of exciting challenges to celebrate at the end of this term. If you require any information on the challenge or want to find out the tasks your child needs to do please find them on the Old Sarum Challenge page on the school website. We hope to see lots of new entries soon!

Readathon

Hopefully the readathon is going well for all the children. Remember it doesn't matter how many books are read just that the children are reading for pleasure at home.
