<p>Background:</p> <p>I have a HR and Training background so I feel my support with recruiting the right staff to work at Castlewood is imperative to the success of the school with maintaining the ethos of the school.</p>
<p>Relevant experience</p> <p>I have a 7 year old boy on the Autism Spectrum and he attends Castlewood School and has been part of the school since February 2016.</p> <p>I have a genuine passion for the school with a clear understanding of the needs of the children that attend Castlewood. I understand the importance of the day to day routine in school and also the importance to parents of having the Saturday Club and Summer Scheme.</p>
<p>All about me</p> <p>I am really enjoying my role as parent governor at Castlewood School. I wanted to get involved because I am mum to two children of which my youngest son attends Castlewood School. I wanted to give something back to the school as they have given Archie the opportunity to thrive at Castlewood and be a little boy that is not judged.</p> <p>I hope to be able to represent other parents to make sure that school provides the best possible opportunities and experiences for all our children.</p> <p>I hope that my life experience with Archie can prove useful as a member of the Governing body.</p>
