For those not on facebook we have a PTA website coming very soon...

PTA Newsletter will also be out shortly with updates on how funds have been used and plans for 2019.

We'll also be around at the next Parents Evenings for any questions, ideas and volunteering.

All these events support the social side of the school for the children and parents but also along the way we do raise funds for those additional items and resources that help all our children.

We do need specific volunteers for the following:

- ***Quiz night running in 2020 (shadowing this year) so do let us know if you would like to do this:***
Ticketing management (done via Eventbrite), buying the food, drinks and running the bar

- *Buying and giving out ice lollies on Sports Days this summer*
- *Running another parents event (ideally a Reception or Year 1 parent)*
