

13th October

Dear Mrs Smith,

I would like to raise money for the Guide Dogs for the Blind.

This is special to me because I love dogs.

My mum's friend trains guide dogs. She is helping a young girl to become more independent. The girl is taking her dog into school with her. It is helping her to believe that she can do things on her own thanks to her special dog.

I have already raised money for Guide Dogs by making jam. I raised £21. From selling my Jam.

I hope you will choose my special charity so we can help more children. If you do we can ask Guide Dogs to visit school and we could all learn about the charity and the good work they do to help people who can't see.
