Science

- Properties and changes of materials
- Forces and mechanisms

The children will concentrate on:

- Exploring identity, culture and life experiences as part of 'Carry My Story'
- Learning about the geographical features of the local area and the features of rivers
- Learning about the properties and changes of materials
- Looking at narrative and writing their own story
- Applying maths knowledge to solve problems and investigations
- Investigating forces and how levers and pulleys work
- Learning about the history of the Ancient Greeks

Your child will make a visit to:

- Flockton C of E School
- Art Gallery

How to help your child at home:

- Make sure they do their homework and return it back to school
- Help with their multiplication tables and spellings by testing them
- Read with them whenever possible
- Research the topics at home, the library, or by using the internet & Spring Grove website:
www.springgrovejin.co.uk

PE

PE for Year 5 is on Thursdays and Fridays. Please bring PE kits and outdoor trainers. These should be in school every day. Earrings are not allowed on PE days.
