

**Your child's next topics this term will be:**

- All the world's a stage
- The Indus Valley

**During this term, your child will learn about:**

Shakespeare and his life and time during the Elizabethan period. They will read a collection of his stories and study the story of Macbeth in depth.

In science, children will learn about Light and about how we see.

They will also learn about the Indus Valley and about how land changes over time.

The children will develop their DT skills in construction to design create and evaluate a mini theatre.

**The children will concentrate on:**

**English**

- Writing in role
- Narrative writing
- Report writing
- Biographies
- Poetry

**Maths**

- Multiplication and division
- Fractions, decimals and percentages
- Geometry
- Statistics
- Mental calculations
- Problem solving

**PSHE**

- Getting on and Falling out/Good to be me

**Science**

- Light

**Ways to help your children are:**

- Make sure they do their homework and return it back to school
- Ensure any work set on spag.com is completed.
- Help with their multiplication tables and spellings by testing them
- Read with them whenever possible
- Research the topics at home, the library, or by using the internet & Spring Grove website: [www.springgrovejin.co.uk](http://www.springgrovejin.co.uk)
- Aim for punctuality and 100% attendance

**PE:** For Year 6 is on Mondays & Fridays. Please bring PE kits and outdoor trainers. These should be in school every day. Earrings are not allowed on PE days.

**Your child will make a visit to:**

- Library
- Art Gallery

**Homework:**

Fridays - Maths , English, Spellings, Spag.com

To be completed by Tuesday.

Remember to also go on Times Table, Rockstars and mymaths to help you with your revision.
