Head Teacher: Ms K Kondo

Monday 28<sup>th</sup> January 2019

Dear Parents/Carers,

We are delighted to be supporting the NSPCC by taking part in their Number Day on **Friday 1<sup>st</sup> February 2019**.

### Guest Speakers - Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it.

On 1<sup>st</sup> February we are lucky to have guest speakers coming in to visit every year group to talk about how they use maths in their jobs. These include *an Aircraft Engineer, Radio Producer, the Head of Finance from BBC Studioworks, an Estate Agent, Merchandiser from M&S and even the Manager from our local ASDA*. We will then be using fun curriculum-based maths challenges to help motivate and inspire children about how important maths is and how they can use it in their future careers.

### NSPCC fundraising

As it is NSPCC Number Day, we will also be making our own maths challenge booklets in each year group that we will be selling to help raise money for the cause.

The NSPCC needs our support. By raising money, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern.

### Join us from 2:45pm

We invite parents and carers to come and join their children in class from 2:45pm to given them the opportunity to show all of the fantastic learning that has taken place during the day.

Thank you in advance for your support.

Yours faithfully,

Mr Downs  
School Maths Lead
