

Empties Please

Dear Parent / Guardian

We have come across a great new and easy way to raise funds for our school through recycling used ink cartridges. We are working with a company called 'Empties Please'. They collect and recycle used ink and toner cartridges the environmentally friendly way and will donate the money raised back to us!

It's very simple. All we have to do is collect used ink cartridges and put them in our recycle bin. 'Empties Please' will collect the bin when it's full and then donate money raised straight back to our school.

To view what empty ink cartridges we can recycle, please check the Empties please website or view on the PTFA section of the school website.

If you have any original branded toners which you have to recycle, please take a look at our 'Toners accepted for Recycling' spreadsheet. If your toner is not listed on here, we recommend contacting the manufacturer who may have a recycling scheme of their own. You can collect ink cartridges from absolutely anywhere; school, work, home, clubs, friends and family.

If you could display a bin in your workplace on behalf of our school please contact 'Empties Please' on 0844 879 7179 or email info@emptiesplease.com. Please ensure you provide our school's name so proceeds are credited to us.

Bags can be collected from us and you can fit quite a few cartridges into one bag. Please don't put them into the post they must come back to the recycle bin at school. You can collect bags from the office or they will be available every Friday alongside the cake raffle.

The more cartridges we can collect the more we can raise. The sky's the limit! We also get points for every pound raised and points mean prizes. Let's make it a great success. Happy collecting!

Kindest Regards

Mhairi Coles
