

Year Group: Year1

Term: Spring 1

Teacher: Miss Clark

Topic: Brilliant Buildings

This term, Year 1 will be taught:

Visits and Visitors for whole Spring term:

TBC – during Spring we hope to have an ExploraBox workshop on the Fire of London; ZooLab UK workshop and guided local walk to observe changes in buildings.

Spring senses walk Spring 2

Art, Design and D.T:

Using texture and colour techniques to produce art that resembles fire. For use in descriptive writing.

Carefully observe and paint what we see.

Collaging skylines.

DT: Building buildings from 'junk'
DT: Cooking biscuits

RE:

We follow the 'Come and See' RE curriculum. Our topics for Spring are: Special People; Meals and Change.

Spiritual, Moral, Social and Cultural:

Sense of enjoyment in learning about themselves, others and the World. Imagination/creativity in learning and reflection, planting/gardening. Behaviours, initiatives.

We implicitly remind children of their SMSC duties as members of the world through all that we teach and all that we expect.

Explicitly: Through our collective worship, circle times, reflection and meditation and knowing and understanding what is going on in the world at a suitable level as well as living out our British Values, day to day.

Computing:

Producing digital content via: Power point, pic-collage and green screen.

Peer and Collaborative learning

World book day: Thursday 7th March

Children from Year 5 and 6 will be supporting us in the mornings to help us with extra reading, writing and number work.

Brilliant Buildings

St Teresa's Catholic Primary School

Personal, Social, Health and Emotional:

We will learn all about how to keep ourselves happy and healthy, appropriate behaviours both in school and out. We will learn what bullying is and how we have the right to say NO!

We build on this in spring through our collective worship themes of Joy, Friendship, Love, Worry and peace.

Maths:

Number - addition and subtraction up to 20 including commutative law and knowing that subtraction is opposite to addition; Measures – Money and time
Number: Multiplication, division and fractions.

P.E:

PE: Gym – Position, direction, using apparatus, working as a team, parachute games – for language skills.

Global citizenship and UN Sustainable

Goals:

Goal 3: Good Health and Well-Being
Global Citizenship Concepts: Social Justice and Equality; Diversity; Globalisation and Interdependence;

English:

This term we will be applying our writing through lots of other subject areas. We will be using the story ‘A Squash and a Squeeze’ for comprehension and retelling through innovation – changing something to make it our own story.

We are producing lots of Art work for descriptive writing.

We will be writing a diary entry as though we witnessed the Great Fire of London.

We continue our phonics largely focussing on securing phase 3 & 4.

History

The Great Fire of London, leading to the evolution of buildings, chronological exploration, asking and answering questions. Observe changes in buildings within the locality of Colchester.

Brilliant Buildings

Modern Foreign Languages:

French will be with Mrs Wilson once per week. Miss Clark will endeavour to inform you of the forthcoming French focus for the week ahead.

Science

Everyday Materials – shelter, suitable materials, seasonal changes.

Animals – Including humans: ZooLab UK for a workshop in class for an introduction to deifferent types of animals.

Plants – Will plant vegetables and giant sunflowers that will hopefully be ready for Summer take home.

Geography:

During our guided walk of Colchester we will be observing the locality, recording ‘human and physical’ geographical features. Suggesting ways we could improve our area.

Music:

Music will be with Mrs Wilson once per week. Miss Clark will endeavour to inform you of the forthcoming music focus for the week ahead.
