Together we reach for our personal best

30 January, 2019

Dear Parent/Carer

Hope you are all well. This is just a quick reminder about what you should do in the event of severe weather. The forecast for this area is for the possibility of snow flurries or sleet this evening and tomorrow morning. However, we know that the unexpected can and does happen!

If there is a heavy snowfall and you are unsure whether the school will be open you can go online to check the school website or you can go online to check <http://map.lgfl.org.uk/opencheck> and choose the name of the school, or telephone 0208 408 7508 and key in the school's 7-digit DCFS number, which is 311 2084. The app is also available to download to Android or iOs phones – Parent/Comms:Mobile. Alternatively, please check on our website www.newtons.havering.sch.uk. **Please do not try to telephone the school, because if the weather is very bad there is a possibility there will be no staff at the school to answer your call.** We will also update our Facebook page and Parentmail.

Please can I also remind everyone that a weekly newsletter is always published on our website, along with blogs that let you know what our children have been doing. We also have a calendar that shows you upcoming events. Weekly newsletters are not sent home as paper copies as we are trying to reduce school costs.

You can find lots of useful information on the website which we are continually adding to.

Yours sincerely

L. C. Lowe
