Dear Parents

When our children are young, we do our best to help them get the most out of the internet, while protecting them from the online world's risks and downsides. But as children mature, our role shifts to helping them learn to make their own safe and ethical decisions as they navigate their digital lives.

At Westfield CP School, we believe this means preparing our students to:

- **Think critically** and evaluate online sources.
- **Protect themselves** from online threats, including bullies and scams.
- **Be sharp about sharing:** what, when, and with whom
- **Be kind and respectful** towards other people and their privacy.
- **Ask for help** from a parent or another trusted adult with tricky situations.

For Internet Safety Week this February, we invite you to join an e-safety lesson in class with your child/ren to understand the challenges they face and support them in their learning. These sessions will be fun and interactive and will last for approximately 1 hour.

Morning sessions will begin at 9:20 whilst afternoon sessions will begin at 2:00.

The timetable for this week will be as follows:

	Mon 4 <sup>th</sup> Feb	Tues 5 <sup>th</sup> Feb	Wed 6 <sup>th</sup> Feb	Thur 7 <sup>th</sup> Feb	Fri 8 <sup>th</sup> Feb
<b>9.20</b>	Year 4	Year 1		Year 3	Reception
<b>2.00</b>	Year 2	Year 5	Year 6		

We anticipate that this will be a great learning experience for all and hope that you will be able to attend.

Your faithfully

Mr T Bowden
