

## Dear Diary

Boarding the plane

When we were boarding the plane I ~~could~~ couldn't find my seat and then, right at the start of the flight I ~~my~~ my chair.

Flying over Brighton

At first, I thought we were going to ~~have~~ crash, <sup>then</sup> but we were so close but Mrs Sutton-Smith just ~~saved~~ saved the day.

Flying over London

While we were flying over London we saw Buckingham Palace and the Royal Pavilion and I felt ~~terrified~~ terrified that I ~~was~~ was nearly ~~falling~~ falling off my chair.

Trying traditional shortbread

Half way through the flight I had a delicious Scottish ~~shortbread~~ shortbread which was absolutely fantastic.
