Dear Parent and Carers,

### **BIG Talk Home Learning Challenge**

Next week we will be learning about Polar Animals. We are hoping to create a class information book with lots of facts and pictures about them. Below are a list of some of the animals we will be focusing on however this is not exclusive.

- Polar Bear
- Arctic Fox
- Seal
- Penguin
- Killer Whale
- Sea Lion

Please can you talk with your child about one or two of the animals or others if you so wish. You could explore...

- What they look like
- Where they think they live
- What they might eat
- How they keep warm

If you have any questions please do not hesitate to ask. Have a lovely weekend and thank you for your continued support.

Kind regards

Mrs Spragg
