1st February 2019

Thank you to everyone for your understanding this week! Please be assured that decisions to close school are taken after considering many factors, in particular the health and safety of the children and staff, and is not taken lightly. For more information about School Closures Procedures, please go to our website: 'Parents' - 'School Closures Procedures'.

Miss Sharp

What a week it's been for everyone but especially Miss Sharp! Not only has this been Miss Sharp's last week before her maternity leave, but she also had a beautiful baby boy last night called Max. Her and baby are both doing brilliantly well and I am sure you will all join me in wishing her and her family the very best for the exciting times ahead! Miss Sharp will be very much missed within school and we look forward to her return!

Class 1

Class 1 are really enjoying all our different "messy" activities this half-term. We love mixing colours to see what we can create and playing in the gloop!

Class 2

Years 3 & 4 thoroughly enjoyed carrying out their own investigations to explore friction and how different surfaces can affect this.

Class 3

In class 3 this week, we have been drawing story maps to represent our 'Space Quest' model text and using the Numicon resources to explore division in our maths.

'Snow Tree' Procedure

If the decision is taken to close the school, we have a 'Snow Tree' procedure in place where we call certain parents who then each have a list of parents to contact. If you are unable to contact any parents on your list, please inform school as soon as possible and we will use the other contacts available for them. This procedure allows us to get the message out quicker to everyone.

Carpark

If you are dropping off or collecting children from school, please can you ensure that your car is stationary while children and adults are on the carpark to ensure the safety and wellbeing of everyone. Thank you!

School dates for your diary

5th February - Safer Internet Day

25th February - Class 3 Beach School day

4th March - Class 3 Beach School day

7th March - Class 1 Drumming with Zozo

11th March - British Science Week
