Slumber Night Success!

A BIG Thank you to all the children who came and adults who helped at last week's epic Slumber Night! It was the busiest slumber we've ever hosted with 195 children coming along to enjoy Hotel Transylvania 3 and it was loads of fun (although very noisy!) It was also fantastic to have so many volunteers for the event, sorry we had to turn some of you away. However, there's lots more activities coming up that we'd love your help with so please do volunteer in future as we can't host them without parents' help.

The winners of the DVDs shown at Slumber Night are as follows:

Hotel Transylvania 3 - Nina Hayward

Goosebumps - Lian Gourlay

Please contact Sarah Hayton to collect your prize.

What is the HFSA?

Surprisingly, despite the many events and activities we host at Home Farm, people still ask 'What is the HFSA'? We're a registered charity run by parents (and grandparents). We organise fun events and activities for the children and we do this firstly to enrich the children's school life and create memorable social events for them, but also to raise valuable funds for the school.

Extensive school funding cuts means the school requires equipment it just can't afford and that's where we come in. From buying small items like Pritt Stick or Lego for the Lego club, larger goods such as a new Projector last year, or organising Pantomines or fun Inflatables for the whole school. It's all about funding the school and making great memories for the children.

If you'd like to get involved in events, join the committee or find out more then let us know, or pop along to our next meeting!
