Spring Term Issue 4

RECYCLE INK

Please help the school to fund raise and at the same time care for our environment by supporting the Recycle Ink project.

We have a collection box in our school reception for used printer cartridges (Epson, Canon or HP). The school will receive up to £1.25 per cartridge! If any parents would like a box to collect the cartridges for the school at their work place, that would be great!

We are able to supply extra boxes for everyone to collect as many cartridges as possible. The more cartridges that we collect, the more money we will hopefully raise for the school to purchase equipment and resources.

NEW CATERING MANAGER TO START AFTER HALF TERM

Following interviews, I am pleased to inform parents that we have appointed a new Catering Manager for the Tiptree Nibble Station. Tracey Macdonald, who currently works at John Bunyan Primary School in Braintree as a catering assistant will be joining the Tiptree Heath team after half term.

I would like to thank Hannahh Smith, our Strawberry Club Leader, who has kindly been working with Salim in the kitchen to prepare and cook the meals for the children since Donna left at Christmas. 'Thank you Hannah'.

TERMLY LEARNING CONFERENCES

Today you will be receiving a letter with regard to our Termly Learning Conferences which will be held on

**Monday 11th February and
Wednesday 13th February
3.30pm to 7.30pm**

Please ensure that you return your preferred appointment time to your child's class teacher as soon as possible.

The Termly Learning Conferences are an opportunity for parents to discuss their child's work, progress and next steps in learning together with their child and class teacher.

If you have any issues that you wish to discuss with your child's class teacher separately, please arrange another meeting.

The Termly Learning Conference discussions have proven to be very valuable and powerful in the past allowing the children to proudly share their achievements but also recognise what their next challenges are to make even better progress. I look forward to seeing parents and children during these evenings.

Have a super weekend, Tracey Oram
