28 January 2019

We're counting down to Number Day 2019!

Dear Parents/Carers

We are delighted to be supporting the NSPCC by having our own Number Day on Thursday 7th February 2019.

Children deserve an equal start in life

The NSPCC believes that all children deserve a childhood free from harm but, sadly, that's not the case for many children. That's why the NSPCC is fighting for every childhood and working to help keep children safe from abuse. The NSPCC needs our support. By raising money, we can help to fund their vital services like Childline - the helpline that's always there for children and young people whatever their problem or concern.

Making maths meaningful

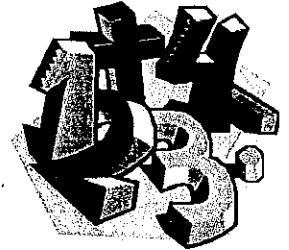

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. On 7 February we will be taking part in *Dress up for Digits* and pupils will be invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). To help raise money for the NSPCC, we are having a "Bring your coppers day". There will be a wheelbarrow at the front of school for the children to put any donations of loose change. During the day, the children will take part in a variety of number based activities, even *Number Who Wants to be a Millionaire*. We will be also holding the annual *Times Table Championship*. Times table experts will come together in one final competition.

It all adds up

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Nafferton Primary School will make an enormous difference to children today and help change the lives of children tomorrow.

Thank you.
Mrs Bray
Maths Subject Leader
