9<sup>th</sup> January 2019

Dear Parents

We are delighted and proud to be part of the National School Breakfast Programme and will be offering to all pupils, free of charge, a healthy breakfast each morning. Initially this scheme is government funded until Easter 2020, but research about the value of this initiative could lead to further funding in the future.

For many of our children this will supplement the breakfast that they receive at home and we hope that they will enjoy the opportunity to have freshly baked bagels at the start of the school day.

Bagels will be cooked fresh each morning on the premises and made available to the pupils in class during registration time.

We hope to begin this initiative from Monday 14<sup>th</sup> January and will be offering parents dropping off children at school the opportunity to try a bagel and encourage their children to enjoy their own bagel in class.

At this stage we require any parent who does not wish their child to have a bagel to complete the tear off slip below and return it to school by Friday 11<sup>th</sup> January. All children will be offered a bagel each day unless we have received a return slip from their parents/carers.

Information about the food products to be used can be found on the reverse of this letter.

We are really excited about this programme and its potential benefits and hope you will join us in promoting this with your children at home.

Kind regards

Mr K Flood  
Headteacher

Childs name..... Class.....

I do not wish for my child to participate in the National Schools Breakfast Programme.

Signed..... Name.....
