WE ARE A GOOD SCHOOL!

We are pleased to have received our report following our recent Ofsted inspection. We have been confirmed as a **GOOD** school. The full report is available on the school website and on the main Ofsted website.

Some Quotes from the Report

'Parents and carers hold the school in high regard...They highlighted the friendliness and approachability of staff, the happy atmosphere and the care and support provided for their children.'

'Pupil's behaviour is of a very high standard. In lessons, pupils work with concentration and interest. All the pupils I spoke to were polite and happy to engage in conversation.'

'The governors are dedicated and well informed and provide you with the right balance of challenge and support.'

Thank you to all the staff, governors, parents and children who are all contributed to this very positive and important report.

The children have had a great day having fun with numbers and they looked great wearing their numbers too. Thank you to all the parents and families who have contributed to the NSPCC today.

Thank you to Mrs K Smith for organising our Number Day.

UNWANTED GLASSES

Mrs Roche, a previous teacher at our school, has asked whether anybody has any old prescription glasses, reading glasses or sunglasses they would like to get rid of. She has a friend who will be taking them to Sierra Leone in the February half term.

She will be working with children and adults and they would be put to great use there.

If you do please pass in to your child's class.

Thank you.

Over the next two weeks, we will be holding parents evening and 'Taking Time for Talk.'

Please do your best to make an appointment to speak to your child's class teacher to share the progress your child is making.
