## Spring 1 Week 4 Newsletter

### Round up of the week

- It was a quiet week at Norbriggs last week. This is a deliberate plan because the children make the most amount of progress in the Spring term and we like to keep it free from distractions to allow them to really get stuck into their learning.
- That said, the Year 3 children have made some fantastic woolly mammoths and the Year 4 children are building round houses as part of their Stone Age topic. They are really enjoying the work and the results are fabulous.
- One of the children suggested painting the cupboard doors in the hall rainbow colours. This week the Teaching Assistants did exactly that. The doors need some finishing touches but I hope you agree, the hall looks much better for it. Next task is to replace the awful curtains in the hall. They have definitely seen better days!

### Coming up next week

- At 9.15 on Tuesday morning the Year 4 children will be putting on a Brass Concert for parents to show off the progress they have made so far with their trumpet and trombone playing.
- Later in the year in June they will be visiting Derby Velodrome to play a concert with the world renowned Halle Orchestra. We have done this for the last 2 years and it has been an amazing experience.
- On Wednesday NSPCC will be delivering assemblies for all children on staying safe, what constitutes unsafe behaviour and what to do / who to tell if they think someone else's behaviour is putting them at risk. Year 5 and Year 6 will then have a workshop to explore personal safety in a little more depth.
- Bank will be open for Year 2 to Year 6 children on Thursday morning from 8.30am
- Year 5 will be going swimming on Thursday afternoon. Please remind them to bring their swimming kits.

### Reminders

- My assembly this week has been about responsibility and consequences of your own actions. We are constantly talking to the children about making the right choices, the benefits of that and the consequences of making the wrong choices and learning from your mistakes.
- We all make mistakes, unfortunately that is human nature. If you could remind the children to think about their actions, particularly the things that they say,

before they carry them out then hopefully we can help the children to make the best choices.  
Thank you
