

## **Newsletter, 1<sup>st</sup> February 2019**

Dear Parent/Carer,

We have had lots of exciting opportunities at St George's this week!

On Monday, teachers received training on 'TRIT' from Miss Watson (our pastoral support officer) which stands for Trauma Recovery Intervention Training. The staff found this to be a really informative session that could really benefit any children and families during times of crisis. The curriculum working parties also met to consider the improvements they have made within their subject areas so far and what the next steps are. Miss Frost attended the Athos Arts meeting on Tuesday to work other schools locally to develop the arts and share good practice.

The PE team have also met and planned the teacher training that will take place during **Polling Day on Thursday 2nd May, the school will be closed but Little Dragons' will be open as usual.** The science and technology team have also had their half termly meeting to share good practice and ways forward.

As you know the snow came on Wednesday and the children had lots of fun outside on the playground. They built snow characters from the books they have been reading, making 'snow soup' and undertook some science experiments. The teachers encouraged the children to investigate and explore outside, as well as having some good old fashioned snow fun.

Follow the school Facebook page for all the lovely photographs of the learning that is taking place within the classes. Updates and notifications are also shared on here. As you will have noticed the Valentine's Disco tickets are now available at the school office. Please scroll down the page for the letter which contains more information.

Wrap up warm this weekend as the wind is bitter and take care on the ice.

Mrs Boardman  
Headteacher

### *Important dates for diaries coming up...*

- **Wednesday, 13<sup>th</sup> February** – KS1 Valentines Disco
- **Friday, 15<sup>th</sup> February** – KS2 Valentines Disco
