

We are pleased to welcome some students into the school for the next few weeks. Miss Jukes is on a placement working alongside Mrs Deacon, Mr Kavanagh is working with Mrs Taplin in Year 1 and Miss Richardson is working with Mr Severn in Year 5.

Next week we are launching a scheme to recycle batteries. During the week there will be an assembly about recycling and your child will then come home with information about how you can support the scheme.

Year 2

This week the children have been working on their knowledge of multiplication and division. They have been answering problem solving and reasoning questions and working the answer out in groups by using objects. The children have learnt a great deal over the last few weeks! Well done Year 2!

Story Time at the Denby Dale Library on the 2nd February at 10.30 – 11.30.

All children welcome and must be accompanied by an adult.

Science week has been a great success! All the children loved the workshops with Eureka. Year 3 had a brilliant day at Magna where they learnt about the four elements by exploring the pavilions; fire, earth, air and water. Each class also conducted some interesting experiments with their teachers. A big thank you to Mr Fraser (a parent and governor) who came to Year 4 with rockets and to Mrs Pogson's daughter and friend who were released from their school to work with Year 5.
