

Shawlands Primary School Newsletter

Friday 1st February 2019

It's been another busy week at Shawlands and the children are having a great day taking part in all the fun maths activities arranged for the NSPCC Number Day today. We will let you know how much money has been raised once it's all been counted up but thank you for your kind donations and for your support.

An updated list of diary dates will be sent out next week but in the meantime please find a list of dates for February and March included below.

Please can I remind all parents and carers not to use the school car park for picking up or dropping off children. This includes collecting children from after school clubs.

It has definitely been a chilly week and a few snowflakes have made an appearance! If more snow does arrive over the next few weeks we will of course do our best to keep school open. If this is not possible, the best place to get the most up to date information is on our twitter page (@ShawlandsPS). If you don't have a twitter account you can still access all of the information on there through the live feed on our website homepage www.shawlandsprimaryschool.co.uk Dearne FM is also a good source of information for any school closures.
