Dear Parent / Carer

As part of our Literacy topic, Year 4 are looking at explanation texts about machines. Your child will have designed their own machine to be made out of junk materials such as cardboard, plastic and paper. We would like to invite a family member to take part in our workshop, to help the children to create their machine, on Monday 11th February in the afternoon.

The workshop will run from 1:30 until 3:00pm.

Prior to this, please could you send in any junk or recycling materials that we could use during our workshop with your child as we are now starting to collect items in class.
