4th February 2019

Dear Parents/Carers

I am writing with final information about our Curriculum Evening for parents and carers next Wednesday 13th February 2019 at 6.00PM - 7.30PM in the school hall.

The aim of the evening is to introduce and explain our innovative new Enquiry Led Curriculum, which the children have been working on since September. You will already have had some information in the termly newsletters and hopefully have heard about this work from your children.

The first part of the evening will be led by Liz Gavrilenko from 'Lighting up Learning' - the organisation who have worked with us to design the curriculum.

This will be followed by an opportunity to visit each year group's stand/table in the hall to find out about the enquiries that the children have undertaken. Teachers will provide a short explanation about the enquiries and there will be an opportunity to look at children's work and to talk to staff. You are welcome to visit as many year groups as you would like to, which will give you an understanding of progression of skills and approaches to learning and teaching.

The evening is primarily for parents & carers of KS1 and KS2 children, although those with children in EYFS are welcome to attend to find out about what future enquiries will be.

To help us with planning for this event please sign up on the School Gateway if you will be attending.

Our EYFS staff team will be offering a crèche facility for those of you who need it. If you would like to book your children a place please do so in the comments section on the School Gateway, leaving details of the children's names and ages.

If you have any queries regarding this event please contact your child's class teacher.

We look forward to seeing you there.

Yours sincerely,

David Barnett
