

Noel Fowler

Co-opted Governor (Appointed by the IFS LGB)

Term of office: 24/01/19 to 23/01/23

Following a career of more than 35 years in education, which began teaching mathematics in secondary schools and included two headships and leading secondary education for a Local Authority, Noel retired in September 2013.

Since then he has been working voluntarily in a number of organisations, most notably as Chair of Trustees for WESC, a charity providing education and care for young people with visual impairment and complex needs.

Noel is married with 3 adult daughters and 4 granddaughters, and he moved to Inkberrow in order to be closer to his family. Since arriving in the village Noel has got involved with Sporting Club Inkberrow and the Twinning Association. He continues to spend time running as well as eating out, two pastimes that go together rather well!
