Attendance Policy

Introduction

All children of compulsory school age have the right to an efficient full-time education, regardless of age, aptitude, ability and any special needs they may have. Regular school attendance is essential if a child is to make the most of the educational opportunity available to them. St James Primary takes seriously its responsibility to monitor and promote the regular attendance of all its pupils. It acknowledges that irregular attendance seriously disrupts continuity of learning, undermines educational progress, can lead to underachievement and low attainment and impedes the child's ability to develop friendship groups within school.

This policy has been developed in consultation with Governors, Teachers, Education Welfare Services and pupil's Parents and Guardians. It seeks to ensure that all parties involved in the practicalities of school attendance are aware and informed of attendance matters in school and to outline the schools commitment to attendance matters. It details the responsibilities of individuals and groups involved and the procedures in place to promote and monitor pupil attendance.

The policy will aim to raise and maintain levels of attendance by:

- Promoting a positive and welcoming atmosphere in which pupils feel safe, secure and valued .
- Raising the awareness of the importance of a differentiated and relevant curriculum
- Promoting opportunities to celebrate and reward pupil's successes and achievements
- Raising awareness of the importance of good attendance
- Ensuring that attendance is monitored effectively and reasons for absences are recorded promptly and consistently

Statements of expectations

Pupils have a responsibility to themselves and others to play a positive role in the life of the school and to make the most of the educational opportunities available.

What is expected of the pupils:

- To respect themselves and others
- To do all they can to attend school regularly and punctually
- To inform a trusted adult if they feel that they are being bullied
- To encourage friendship and a sense of belonging
- To be happy and encourage others to feel happy

Parents/carers have the prime responsibility for ensuring that their child attends school regularly and punctually. They have a legal responsibility to ensure that their children attend

school regularly, and stay in school for every lesson after they have registered. Parents should also make sure that the children arrive on time, properly dressed, with the right equipment and in a fit state to benefit from the education offered to them. Parents may be prosecuted if a child does not attend school regularly and punctually. This will be done under the 1996 Education Act and aims to ensure that parents carry out their duty to secure suitable education for their children.

What is expected of the Parents/Carers;

- To keep requests for their child to be absent to a minimum
- To offer a reason for any period of absence, preferably before the absence or on the first day of absence
- To ensure that their child arrives at school on time, properly dressed, with the right equipment and in a condition to learn. A reason should be offered for any lateness
- To work closely with the school and Education Welfare Officer (EWO) to resolve any problems that may impede a child's attendance
- To take family holidays during school holiday periods and be aware that requests for holidays during term time will be refused except in special/exceptional circumstances.
- To be aware of curriculum requirements and be especial vigilant with regards to attendance during important academic times such as SATS or the numeracy and literacy hour
- To support their child and recognise their successes and achievements

The school will endeavour to provide an environment that is conducive in educating every individual pupil. School attendance will be positively supported wherever possible and the promotion of good communication and co-operation between all parties involved will be paramount. The school has a statutory responsibility to record and monitor the punctuality and attendance of pupils for both the morning and afternoon sessions. A register of attendance has to be taken once at the start of the morning session and once during the afternoon session. The register has to record whether a pupil is present, engaged in an approved educational activity off site or absent. If a pupil is absent the register must record whether the absence was authorised or unauthorised.

What is expected of the School:

- To create a school ethos that pupils want to be part of
- To meet the legal requirements set out by Government
- To give a high priority to punctuality and attendance

St James Primary School

Attendance Policy

- To develop procedures that enable the school to identify, follow up and record unauthorised absence, patterns of absence and parent condoned absence with effective monitoring and intervention
- To consistently record authorised and unauthorised absences within the guidance of the 1995 education act
- To develop a range of effective strategies to follow up intermittent and long term absenteeism and promote good attendance
- To encourage open communication channels between home and school
- To develop procedures for the reintegration of long term absentees
- To develop procedures leading to a formal referral to the EWO
- To adequately provide for pupils with difficulties, within the bounds of resources available, and ensure the appropriate delivery of the curriculum

The Local Authority has a responsibility to provide education and promote regular attendance of all statutory school age children. Through the Education Welfare Service (EWS) the Local Authority provides support to schools and parents to fulfil their legal duty. The EWS is the enforcement agency of the LEA and as well as providing guidance and support through its officers may take a parent to court for not fulfilling their duty under section 444 of the Education act 1996. The court may fine the parent and put in place a School Attendance Order (SAO), an Education Supervision Order (ESO) or a Parenting Order.

School Procedures for Recording and Monitoring Attendance

Recording

The class teacher will take a register recording who is present and absent from school at 8.55am. At 9.00am the register is recorded by the Office. Any late pupils should then enter the school through the main entrance. If any pupil arrives late the office staff will ask the parent to fill in a late form that records the name, class, time and reason for lateness. If a child arrives unaccompanied by a parent the office staff will complete the record asking the pupil to offer a reason. All staff need to be aware that any child arriving late MUST register at the office for purposes of fire regulations.

Parents of children who have arrived late will receive an email from the office that morning confirming their child is on the late register

The register officially closes at 9.20am and any pupil arriving after this will be marked absent for the session. A reason for the lateness will need to be provided and a decision made by the school to mark it as an authorised or unauthorised absence.

During the morning the absences from that morning and the previous afternoon will be recorded onto the electronic registration system and all the present pupils marked present. The offered reasons for any late from the previous day or any absences will be assessed and

the appropriate code entered into the system. The register is returned back to the class teacher before the start of the afternoon session and the register is again taken at 1.15pm.

Reasons for absence may be offered verbally by phone or by an email or in person or by filling in the appropriate absence form on the child's return to school. The school may then decide if it wishes to authorise the absence or record it as an unauthorised absence. This decision will be made within the guidance set out in the 1996 Education act, which identifies the following reasons as acceptable reasons for an authorised absence.

- The child is ill or is prevented from attending by unavoidable cause
- The child lives over a certain distance from the school and either the LEA has failed to make suitable arrangements to register the child at a nearer school or the LEA has failed to make suitable transport arrangements
- The child is absent on days exclusively set apart for religious observance in their particular faith
- The child is absent 'with leave'. This refers to leave being granted by the school, not by the parent, and would normally relate to no more than 10 school days in any one year.

A reason for a period of absence is always required. The school will contact parents who have not offered a reason and after a three week process will mark the absence as unauthorised if no reason is provided.

Monitoring

The senior management team and the EWO will review the attendance of all the schools pupils on a half termly basis and any pupils identified as cause for concern or less than 85% attendance on a more regular basis. A letter will be sent to the parents of any pupil identified as having attendance problems informing them of the school's concerns and offering support to resolve any problems that may be impeding a child from attending. The pupil's attendance will be closely monitored and if after a two week period there appears to be no improvement the parents of the pupil will be invited to a meeting with the head teacher to discuss the issue and hopefully resolve any issues preventing the pupil from attending. If the parent/s do not attend the meeting or after such meeting the attendance of the pupil does not improve a formal referral to the EWO will be made.

The electronic registration system provides many reports and information that assist the school to monitor attendance. These reports will be accessed when relevant and provide information to assist the school strategically manage attendance issues. The EWO will also have access to this information on request and will use the reports to support their role.
