Transforming schools... changing lives

July 2018

Dear Parents and Carers

We are delighted to be able to inform you of our exciting one night residential educational trip for year 3 children. The venue is The Tower of London followed by a living history overnight experience on board the Golden Hinde.

School trips are an invaluable part of the curriculum and pupils' learning is extended beyond the classroom. The children develop personal and social qualities, grow their self-confidence, learn new skills and have lots of fun.

The children will get to explore the Tower of London on the Thursday and take part in a workshop whilst there. At the end of the day, we will walk the short distance along the river to the Golden Hinde where the children will be greeted by character actors. They will have the opportunity to get into role by dressing in costume before completing their given activities, having dinner and bedding down for the night. We will return to school Friday morning and complete a follow up activity before the children are collected at 12.30.

We have provisionally booked the following dates which may be revised dependent on numbers attending.

Hazel: 2nd – 3rd May 2019

Larch: 9th – 10th May 2019

Poplar: 16th – 17th May 2019

We estimate the total cost of the trip to be £65-£75 per pupil which comprises of the day at the Tower of London, the overnight experience on board the Golden Hinde and travel to and from London. We are requesting a non-refundable deposit of £10 per child to be paid by 28/9/18 on Tucasi, along with the expression of interest return slip, to secure their place.

For those eligible for 'Free School Meals' or 'Pupil Premium Funding', a subsidy will be available. Please contact Mr Cook-Abbott or Mrs Thomas to discuss this further.

Once numbers are established, we will be able to confirm the total cost as well as provide information regarding payment plans. Other information such as kit list will also be shared nearer the time. We hope you will agree with us that this is a worthwhile venture.

Yours sincerely,

Sarah Light
