

## Spring Term 1 2019

It has been 'Icy Cold' in Nursery 3. We have been looking at Winter, the changes in the weather and how we can keep warm. We have been playing with ice and watching what happens to it as we play. We used hammers to chip ice off our frozen toys and we have been trying to build with ice cubes.

We invited parents to come and join our Library Time, they enjoyed listening to us talk about the book we had read at home and helped us to choose our next one.

It has been 'Oral Health Week,' and the children enjoyed dressing up as a Dentist and brushing Lenny Lion's teeth! The children learnt how important it is to look after their teeth and visit the Dentist regularly.

To celebrate 'Chinese New Year,' we made a Chinese dragon and listened to music whilst we danced. We tried new foods and will be learnt about other cultures celebrations.

On 'Safer Internet Day,' we will be learning how to stay safe when using the internet by always remembering to ask a grown up and asking for help when making choices.

We will be making biscuits to sell on Valentine's Day and will be talking about people who are special to us.

Our Parents Forum will be meeting in preparation for our 'Stay and Play' session on 8<sup>th</sup> February. This will be an opportunity for all our parents to stay on drop off and join their children in different play activities.
