

History

Royal Family

We will be researching our Royal Family through their family tree and establishing their relationships. We will also be asking Mrs Patterson questions about the Royal Wedding of the Duke and Duchess of Cambridge.

Art and Design

Lines and Colours

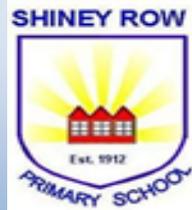

We will be examining paintings of the Queens and thinking about which technique they have used. We will also be examining the colour wheel and how we can change the colours by mixing.

Science

Everyday Materials

We will be investigating examining the objects we use everyday and what they are made of. We will be looking at the properties of materials and why they are used for specific purposes. Through practical activities we will be solving problems to determine which is the best material for the job.

We will look at the seasons of Winter and Spring and consider the changes that take place in the world around us.

Miss Shawcross - Class 7

Year 1 - Spring 1

Enhancing Learning

We will be inviting in a visitor into school to ask questions about their experience of the Royal Wedding of the Duke and Duchess of Cambridge.

We will be using the internet as a research tool to observe the Royal wedding and to think about how to keep ourselves safe when on line.

We will be completing different investigations into materials and their properties and mixing colours .

Music

Our Voices as Instruments

We will be using our voices creatively to join in with songs and rhymes and speak chants. We will also be listening with concentration and understanding to a range of high-quality live and recorded music.

Computing

Internet

During the spring Term we will be investigating what the internet is, what it can be used for and how to keep ourselves safe when using it.

RE

What does it mean to belong?

Through stories we know and parables we will be thinking of choices we make and how consequences can effect us.

PE

Gymnastics

We will be looking at balances and the ways our bodies can move and travel. We will be finding out how to keep our bodies safe when completing exercise and how exercise can effect our bodies.
